Office of the Superintendent,
Government Gardens in Mysore,
Dated the Bangalore the 27th May, 1918

From

Y. Rama Rao, Esq.,
Curator,
I/c of the Office of the Superintendent,
Government Gardens, Bangalore.

To

The Chief Secretary to the Government of His Highness the
Maharaja of Mysore, Bangalore.

Sir,

With reference to your Docket letter No. 15973/G.M. 298-17-44 dated 25th instant, regarding 2 watchmen proposed for the 2 Motor Sheds at the foot of the Nandi Hill Station, I have the honor to state that the arrangement proposed is for making the watchmen's posts permanent

2. Ever since the Motor Sheds were constructed three years ago, the existing men were employed as a temporary measure to ascertain whether their services would be required all round the year. The experience gained during the year period has proved that their permanent retention is necessary.

3. The 2 Motor Sheds are situated, one on Southern side and the other on the Northern side of the foot of the Hills, at about 5 miles apart, and therefore one watchman is not sufficient for both the sheds.

4. The cost will be met during this year from the 'Temporary coolly labour grant' provided for Hill Stations and included with Establishment of the Nandi Hill Station in the future budgets.

5. I request that you will be so good as to obtain orders of Government early to enable me to cash the bills objected to by the Comptroller for want of Government Sanction.

I have the honor to be,

Sir,
